# SEO

Rank higher in search engines for keywords like “best holiday packages,” “affordable international tours,” or “honeymoon destinations in India.”

“Search Term”

The screenshot shows a Google search interface. The search bar contains the text "best holiday packages". Below the search bar, there are navigation tabs for "All", "Images", "Videos", "Shopping", "News", "Maps", "Books", "More", and "Tools". The first search result is from "GT Holidays" with the URL "https://www.gtholidays.in/packages". The title of the result is "1 Tour Packages". Below the title, there are several statistics: "MOZ DA: 21/100 (+11%)", "Ref Dom: 774", "Ref Links: 9.4K", "Spam Score: 1%", and a link to "Show backlinks". There is also information about search traffic: "Search traffic (us): 50/mo (website: 2400/mo) - Keywords (us): 14 (website: 995)". The description of the result says: "Find great deals on customized India & international tour packages at GT Holidays. Well-organized travel itineraries. 24x7 concierge." At the bottom of the result, there are four filter buttons: "South India", "India", "Best of Kanyakumari", and "Honeymoon Packages". A small image of a temple is visible to the right of the result.
